THE SEATREK CAREERS IN MARINE SCIENCE SURVEY

- 1.) Describe one of your favorite class experiences and what you learned?

- 2.) List five words that come to mind when you hear the words “marine science”?

- 3.) If you could know more about anything in the ocean what would it be?

- 4.) List your 5 favorite television shows, video games and/or bands.

- 5.) What are 3-5 things you like to do in your spare time?

- 6.) What are your future career plans?

- 7.) Have you ever had a job or volunteered your time? What did you do and what did you like the most/least about it?

Thank you for your participation in this survey! Completing this information will help us plan a better program for you and help us development new programs for students like you. To find out more, visit www.seatrek.org.
